

Agenda: NVCAN Special Meeting | November 21, 2019 | 7-9 p.m. | 355 West Queens Rd

Session Goal: To share information about the Oxford Non-Market Housing project and learn about participants' preferences for community engagement on the project.

Objectives

1. To provide an overview of the project plans and high-level timelines, so participants are informed about what is planned and when.
2. To answer participants' questions about the project plans and timelines.
3. To discuss any specific concerns or aspirations about the project among participants', so the project team can learn how the project may be perceived in the community.
4. To discuss and understand how NVCAN wants to be engaged in the project moving forward.
5. To discuss and understand participants' preferences and advice about community engagement on Oxford: who needs to be engaged, any preferences on engagement methods, any advice on how to ensure the engagement is meaningful and effective.
