			NOTE: The number of units being discussed above are not net units added to DNV -					
			since a significant number of existing units they replaced have not been subtracted from this tally.					
			SINGLE FAMILY HOMES:					
			- created (mostly thru subdivision) approximately 8 new single family homes/year					
			- 4367 secondary suites in 2016					
			- about 75% of new homes have secondary suites (council workshop notes of 18apr2017)					
			- ~170 homes rebuild "last year", in 2016 it was ~350 (6 Mar 2017 workshop notes)					
			- Since 2011 it is estimated that number of secondary suites added by way of renovation or demolition is ~200x6x0.75 = 900 new living units				See Stats Can
